Definitions

Agreement - means these terms and conditions of the Service.

Authorized User - is any individual or agent whom you allow to use the Service or your password or other means to access your eligible account(s).

Bill Payment Service Provider - refers to the contractor, sub-contractor, or provider of our Bill Payment and Presentment services.

Business Day - is every Monday through Friday, excluding Federal Reserve Holidays.

Business Day Cut-off - refers to the cut-off time for posting purposes. The cut-off time for online transactions is based upon our Business Days and the Central Time Zone. For posting purposes, we will process all transactions completed by 5:00 p.m. on the same Business Day. Transactions completed after 5:00 p.m. will be processed on the following Business Day. Bill Payment cut-off and scheduling times differ and are further detailed in this Agreement.

Deliver By Date - is the day you want your Payee to receive payment and the day your Funding Account will be debited, unless the Deliver By Date falls on a non-Business Day, in which case it will be considered to be the previous Business Day. If a check is issued on your Funding Account, your Funding Account will be debited when the check is presented for payment at your bank.

Direct Check - is a payment method similar to a check written by you on your Funding Account. Payees should receive Direct Checks no later than the Deliver By Date. Funds remitted to the Payee are deducted from your Funding Account when the Direct Check is presented to the financial institution on which the Direct Check is drawn. As a result, neither this financial institution nor our Bill Payment Service Provider can control when your Funding Account will be debited for a Direct Check payment.

Due Date - is the date reflected on your Payee statement for which the payment is due; it is not the late date or grace period.

Eligible Account - means any one of your accounts to which we may allow access through the Service under this Agreement. Only a checking account may be eligible for Bill Payment privileges.

You may request Internet access to any account that you are a signer or owner. If you or your Authorized users desire features of the Service that allow you to remove funds from an account, you must have the required withdrawal authority over the relevant Eligible Account.

When using the Service, you agree to maintain one or more Eligible Accounts with us and to keep sufficient balances in any account to cover any transaction and fees that are ultimately approved by or related to the Service.

Funding Account - is the checking account from which bill payments will be debited.

Incoming Bills - are those bills you have chosen to receive electronically.

Password - is the code you selected during enrollment, or the code you select when prompted by the Service, that establishes your connection to the Service.

Payee - is the person or entity to which you wish a bill payment to be directed or is the person or entity from which you receive electronic bills, as the case may be.

Payment Instruction - is the information provided by you to the Service for a bill payment to be made to the Payee (such as, but not limited to, Payee name, Payee account number, and Deliver By Date).

Pending Payment - is a payment that has been scheduled through the Service but has not completed processing.

Service - means the Online Banking and Bill Payment and Presentment services offered by Midland States Bank.

We, us, or our - as used within this Agreement, refers to Midland States Bank and any agent, independent contractor, service provider, sub-contractor, licensor, designee, or assignee that Midland States Bank may involve in the provision of the Service.

You and your - as used within this Agreement, refers to the person enrolling for the Service, owner of the eligible accounts, as well as any Authorized Users that such person allows, subject to the parameters of multiple user access as set forth within the Service.

Bill Payment and Presentment Terms and Conditions

(A) Payment Scheduling

The earliest possible Deliver By Date for each Payee will be designated within the application when you are scheduling the payment. Therefore, the application will not permit you to select a Deliver By Date less than the earliest possible Deliver By Date designated for each Payee.

When scheduling payments, you must select a Deliver By Date that is no later than the actual Due Date reflected on your Payee statement, unless the Due Date falls on a non-Business Day. If the actual Due Date falls on a non-Business Day, you must select a Deliver By Date that is at least one (1) Business Day before the actual Due Date. Deliver By Dates must be prior to any late date or grace period.

(B) Bill Payment Guarantee

Due to circumstances beyond the control of the Service, particularly delays in handling and posting payments by Payees or financial institutions, some transactions may take longer to be credited to your account. Except as expressly stated otherwise within this Agreement, we and/or our Service Providers will bear the responsibility for any late payment related charges up to \$50.00 should a Bill Payment post after its Due Date as long as the payment was scheduled in accordance with the guidelines described under "Payment Scheduling" in this Agreement.

(C) Payment Authorization and Payment Remittance

By providing the Service with names and account information of Payees to whom you wish to direct payments, you authorize the Service to follow the Payment Instructions that it receives through the payment system. In order to process payments more efficiently and effectively, the Service may edit or alter payment data or data formats in accordance with the Payee directives.

When the Service receives a Payment Instruction, you authorize the Service to debit your Funding Account and remit funds on your behalf so that the funds arrive as close as reasonably possible to the Deliver By Date designated by you. You also authorize the Service to credit your Funding Account for payments returned to the Service by the United States Postal Service or Payee, or payments remitted to you on behalf of another authorized user of the Service.

All payments you make will be deducted from the account you designate as your Funding Account for the Service. Any payments you wish to make through this Service must be payable in U.S. dollars and to a payee located in the continental United States. You must have sufficient funds in your Funding Account to cover the amount of any Bill Payment on the Deliver By Date, or the payment may not be processed. NSF and/or overdraft charges may be incurred if Bill Payments exceed your account balance.

(D) Exception and Prohibited Payments

You should not use the Service to make payments to settle securities purchases, payments to interest bearing accounts, tax payments, or court ordered payments. Payments for these payees will be your sole responsibility if delayed or improperly processed or credited. Payments to Payees outside of the United States or its territories are prohibited through the Service.

(E) Payee Limitation

We reserve the right to refuse to pay any Payee to whom you may direct a payment.

(F) Payment Methods

Our Bill Payment Service Provider reserves the right to select the method in which to remit funds on your behalf to your Payee. These payment methods include, but may not be limited to, an electronic payment or a Direct Check.

In some instances, the payment method may change from electronic payment to Direct Check. This may occur when payment amounts are \$500 or greater, and may vary by Payee. The system will notify you at the time the payment is being scheduled if it will be disbursed as an electronic payment or a check payment.

(G) Payment Cancellation Requests

You may cancel or edit any Pending Payment if processing has not begun (including recurring payments) by following the directions within the Service. There is no charge for canceling or editing a Pending Payment. Once the Service has begun processing a payment, it cannot be canceled or edited; therefore, a stop payment request must be submitted, as described within this Agreement.

(H) Stop Payment Requests

Our ability to process a stop payment request will depend on the payment method and whether or not a check has cleared. We may also not have a reasonable opportunity to act on any stop payment request after a payment has been processed. If you desire to

stop any payment that has already been processed, you must contact our Call Center at 855-696-4352.

Although we will make every effort to accommodate your request, we will have no liability for failing to do so. We may also require you to present your request in writing within 14 days. The charge for each stop payment request will be the current charge for such service as set forth in our applicable fee schedule.

(I) Returned Payments

In using the Service, you understand that Payees and/or the United States Postal Service may return payments to our Bill Payment Service Provider for various reasons such as, but not limited to, Payee's forwarding address expired; Payee account number is not valid; Payee is unable to locate account; or Payee account is paid in full. You may receive notification from the Service of returned payments.

(J) Bill Payment Information Authorization

Your enrollment for the Service may not be fulfilled if we and/or the Bill Payment Service Provider cannot verify your identity and withdrawal authority over the specified accounts. Through enrollment in the Service, you agree that the Bill Payment Service Provider and we reserve the right to request a review of your credit rating at our own expense through an authorized bureau. In addition, you agree that our Bill Payment Service Provider and we reserve the right to obtain financial information regarding your account from a Payee or your financial institution (e.g. to resolve payment posting problems or for verification).

(K) Failed Transactions

In using the Service, you are requesting us to make payments for you from your Funding Account. If your account has insufficient funds on the Deliver By Date for any electronic payment, Services may become unavailable and all pending payments may be canceled. Once the issue is resolved, the Service may be reinstated. You are responsible for either making alternate arrangements for the payment or rescheduling the payment through the Service. In the case of recurring payments, only the payment currently scheduled would be canceled. Recurring payments scheduled for future dates would not be affected.

(L) Transaction Limits

You may schedule bill payments up to \$9,999.99 per transaction. You may schedule bill payments up to \$19,999.99 per Deliver By Date.

(M) Funding Accounts

You may add additional Funding Accounts to your bill payment profile. You must be an owner of any Funding Account used to initiate bill payment transactions.

(N) Reporting

You may create reports based on the last 24 months of Bill Payment activity.

(O) Inactivity

Bill payment inactivity occurs when bills have not been paid within your online banking bill pay account for 90 days (if never used) or 180 days (if previously used). Once your account becomes inactive, a Bill Payment Inactivity Fee of \$7.50 will be charged and your bill pay account will be disabled.

Bill Presentment

This feature is for the presentment of electronic bills only, and it is your sole responsibility to contact your Payee directly if you do not receive your statements. In addition, if you elect to activate one of the Service's electronic bill options, you agree to the following:

(A) Information Provided to the Payee

We are unable to update or change your personal information such as, but not limited to, name, address, phone numbers and email addresses, with the electronic Payee. Any changes will need to be made by contacting the Payee directly. Additionally, it is your responsibility to maintain all usernames and passwords for all electronic Payee sites. You also agree not to use someone else's information to gain unauthorized access to another person's bill.

The Service may, at the request of the Payee, provide to the Payee your e-mail address, service address, or other data specifically requested by the Payee at the time of activating the electronic bill for that Payee for the purposes of the Payee informing you about bill information.

(B) Activation

Upon activation of the electronic bill feature the Service may notify the Payee of your request to receive electronic billing information. The presentment of your first electronic bill may vary from Payee to Payee and may take up to sixty (60) days, depending on the billing cycle of the Payee. Additionally, the ability to receive a paper copy of your statement(s) is at the sole discretion of the Payee. While your electronic bill feature is being activated, it is your responsibility to keep your accounts current. Each electronic Payee reserves the right to accept or deny your request to receive electronic bills.

(C) Authorization to Obtain Bill Data

Your activation of the electronic bill feature for a Payee shall be deemed by us to be your authorization for us to obtain bill data from the Payee on your behalf. For some Payees, you will be asked to provide us with your user name and password for that Payee, along with additional information necessary to electronically receive the bills within the Service. For some Payees, you may be asked to provide information from your most recent statement. By providing us with such information, you authorize us to obtain your bill data.

(D) Notification

The Service will use its best efforts to present all of your electronic bills promptly. In addition to notification within the Service, the Service may send an e-mail notification to the email address listed for your account. It is your responsibility to ensure that this information is accurate. In the event you do not receive notification, it is your responsibility to periodically logon to the Service and check on the delivery of new electronic bills. The timeframe for electronic bill notification may vary from Payee to Payee. You are responsible for ensuring timely payment of all bills.

(E) Cancellation of Electronic Bills

The electronic Payee reserves the right to cancel the presentment of electronic bills at any time. You may also cancel electronic bill presentment at any time. The timeframe for cancellation of your electronic bill presentment may vary from Payee to Payee. The Service will notify your electronic Payee(s) if you cancel the presentment of an electronic bill, and it is your sole responsibility to make arrangements for an alternative form of bill

delivery. We will not be responsible for presenting any electronic bills that are already in process at the time of cancellation.

(F) Non-Delivery of Electronic Bills

You agree to hold us and the Bill Payment Service Provider harmless should the Payee fail to deliver your statement(s). You are responsible for ensuring timely payment of all bills. Copies of previously delivered bills must be requested from the Payee directly.

(G) Accuracy and Dispute of Electronic Bill

Neither this financial institution nor the Bill Payment Service Provider is responsible for the accuracy of your electronic bill(s). This financial institution and the Bill Payment Service Provider are only responsible for presenting the information it receives from the Payee. Any discrepancies or disputes regarding the accuracy of your electronic bill summary or detail must be addressed with the Payee directly.

This agreement does not alter your liability or obligations that currently exist between you and your Payees.

DEBIT REWARDS OFFERS If you decide you wish to participate in the Debit Rewards Offers application, you acknowledge and agree to the following terms and conditions of service.

Debit Rewards. You will earn rewards for your participation in the Debit Rewards Offers program based on total purchases. If you participate in the Debit Rewards Offers, we will credit all cash or point rewards earned to your rewards balance and send you a lump sum of all rewards due to you. For any qualifying purchases during the current month, we will distribute the lump sum amount to you during the following calendar month. For example, if the payment date of all rewards end user disbursements is August 30, the applicable Measurement Period would be the calendar month ended July 31. Cash rewards will be deposited in the Debit Rewards Offers deposit account which is associated with the Debit Rewards Offers program.

Debit Rewards Offers Account. You must use the debit card associated with the Debit Rewards Offers account in order to receive the offers which qualify for the rewards. Rewards will not be earned for any portion of your purchase that you pay for with store credit, gift certificates or other payment types.

Purchases must be made as indicated in the offers made available under the Debit Rewards Offers program. Each offer will specify whether the purchase can be made online, at a store location, or by telephone to be eligible for rewards. You must also comply with any guidelines included with the offer, such as offer expiration dates, minimum purchase amounts, purchase limits, etc. You must also pay using the debit card associated with the account that received the Debit Rewards offer in order for the purchase to qualify.

While we and the merchants work hard to properly track and credit all eligible purchases, there may be times that we are unable to do so because of problems with your internet browser, the merchant's web site or our system. Please contact our support team if you believe you have made a qualifying purchase for which you did not receive Rewards.

Please note that you will not earn rewards as part of this program if you use a debit card not issued by us or do not have the designated deposit account opened with us at the time of disbursement.

You understand and agree that we make no warranties and have no liability as to:

- Any offers, commitments, promotions, money back, or other incentives offered by any of the merchants in the Debit Rewards Offers program.
- The rewards information that we provide to you, which is provided "as is" and "as available".
- (i) your inability to comply with offer guidelines, (ii) the accuracy, timeliness, loss or corruption, or mis-delivery, of any qualifying purchase information or any other information, (iii) unauthorized access to your account(s) or to your account information and any misappropriation, or alteration, of your account information or data, to the extent that the unauthorized access results from your acts or omissions, or (iv) your inability to access your account(s) including, but not limited to, failure of electronic or mechanical equipment, interconnect problems with telephone providers or internet service providers, acts of God, strikes, or other labor problems.
- Some states do not allow limitations on how long an implied warranty lasts, so that the above limitations may not apply to you, and that you may also have other rights, which vary from state to state.

4. Periodically update your computer operating system and browser for critical security related patches. We recommend use of the most current, fully patched, versions of Internet browsers for accessing the Service. In addition to the security features described above, there may be other security related notices posted on our website from time-to-time. It is your responsibility to read all security notices.

Our Liability for Failure to Complete Transactions

We will use commercially reasonable efforts to make all your transfers, Bill Payments, and Wire Transfer Requests properly. However, we shall incur no liability and any Bill Payment Service Guarantee or Wire Transfer Request Guarantee shall be void if we are unable to complete any transactions initiated by you because of the existence of any one or more of the following circumstances:

- If, through no fault of ours, your Eligible Account(s) and/or Funding Account does not contain sufficient funds to complete the transaction or the transaction would exceed the credit limit of your overdraft protection (if applicable);
- If there is a hold on your account, or if access to your account is blocked, in accordance with banking policy;

- If your funds are subject to legal process or other encumbrance restricting the transfer;
- If your transfer authorization terminates by operation of law;
- If you have not properly followed the scheduling instructions as noted in the "Help" link within Online Banking or Bill Payment or as provided by your Wire Transfer Request Beneficiary;
- If you have not provided the Service with the correct Funding Account information or the correct name, address, phone number, or account number for the Payee;
- If we have received incomplete or inaccurate information from you or a third party involving the account or transfer;
- The Service is not working properly and you know or have been advised by the Service about the malfunction before you execute the transaction;
- If we have a reasonable basis for believing that unauthorized use of your Password or account has occurred or may be occurring, or if you default under this Agreement, the deposit account agreement, a credit agreement, or any other agreement with us, or if we or you terminate this Agreement;
- If you believe someone has accessed your accounts without your permission and you fail to notify us immediately; and/or

- If circumstances beyond the control of the Service, our Service Providers, and this Institution (such as, but not limited to, fire, flood, or interference from an outside force) prevent the proper execution of the transaction and we have taken reasonable precautions to avoid those circumstances.
- You have been notified that should any malware and/or virus compromise your computer or device, it may result in an unauthorized transaction(s) to your Eligible Account.
- You are solely responsible for keeping your computer or device updated to mitigate or eliminate potential harm.

There may be other exceptions stated in this agreement and in other agreements with you. In no event shall we be liable for damages in excess of your actual loss due to our failure to complete a transfer. We will not be liable for any incidental or consequential damages.

We are not responsible for delays in mail delivery, for the failure of any Payee to correctly account for or credit the payment in a timely manner, or for any other circumstances beyond our control.

We shall assist you with reasonable efforts in taking appropriate corrective action to reprocess the transactions that may not have been completed or to correct incorrect transactions that have been processed.

Provided none of the foregoing exceptions are applicable, if the Service causes an incorrect amount of funds to be removed from any of your Eligible Account(s) or Funding Account, or causes funds from your Funding Account to be directed to a Payee which does not comply with your Payment Instructions, we and/or our Service Providers shall be responsible for returning the improperly transferred funds to your Eligible Account(s) or Funding Account, and for directing to the proper Payee any previously misdirected transactions, and, if applicable, for any late payment related charges.

Unauthorized Transfers - Consumer Liability

Tell us AT ONCE if you believe your Username or Password has been lost or stolen. Telephoning is the best way of minimizing your possible losses. You could lose all the money in your account (plus your maximum overdraft line of credit, if applicable).

If you tell us within two (2) Business Days after you discover your password or other means to access your account has been lost or stolen, your liability is no more than \$50 if someone accesses your account without your permission. If you do not tell us within two (2) Business Days after you learn of the loss or theft, and we can prove we could have prevented the unauthorized use of your password or other means to access your account if you had told us, you could be liable for as much as \$500.

If your statement contains transfers that you did not authorize, tell us at once. If you do not tell us within sixty (60) after the statement was mailed to you, you may lose any amount transferred without your authorization after the sixty (60) days, if we can prove that we could have stopped someone from taking the money if you had told us in time.

The telephone number and address for notifying us under this section is found in the "Contact Us" section at the top of page 1 of this Agreement.

Unauthorized Transfers - Commercial / Organizational Liability

If you are a non-consumer / organizational account holder, the loss limits described above do not apply to you. Pursuant to state law, your organization may be liable for 100

percent of losses attributable to unauthorized transfers regardless of the expediency of your notification to us. Nevertheless, tell us AT ONCE if you believe your Username or Password has been lost or stolen. Telephoning is the best way of minimizing your possible losses.

ONLINE BANKING SERVICES AGREEMENT APPENDIX: WIRE TRANSFER AGREEMENT

THIS WIRE TRANSFER SERVICE APPENDIX (hereinafter, this "Appendix") is made by and between Midland States Bank ("Financial Institution") and you (the "Customer") and is incorporated by reference into the parties' Online Banking Services Agreement (the "Agreement"). This Appendix applies to all wire and funds transfer services made available by Bank to Customer pursuant to this Appendix (hereinafter the "Service"). The Service may be used in conjunction with the Online Banking Service, and this Appendix shall be construed consistently with the terms of the Business Online Banking Service, as applicable. All capitalized terms used herein without definition shall have the meanings given to them in the Agreement. Except as otherwise expressly provided in this Appendix, to the extent that this Appendix is inconsistent with the provisions of the Agreement or the terms and conditions of the Business Online Banking Service as described therein, this Appendix and any amendment hereto from time to time shall control, but only to the extent necessary to resolve such conflict. This Appendix shall be effective upon acceptance of the Online Banking Services Agreement.

RECITAL

A. This Agreement sets forth the rights, duties and obligations of Customer and Financial Institution with respect to the transfer of funds and includes one or more Schedules, which pertain to specific means for affecting such transfers.

AGREEMENT

1. Authority. Financial Institution, in accordance with its procedure, as it may from time to time establish, shall transfer funds from a Customer account to any other account, whether such other account is with Financial Institution or another financial institution, in accordance with instructions received from Authorized Representatives designated by Customer, subject to the authority granted to such Authorized Representatives. Financial Institution shall execute such wire transfer instructions in any order convenient to Financial Institution and shall select such means and routes for the transfer of funds, as it considers appropriate under the circumstances.
2. Security Procedures. Customer acknowledges receipt of Schedule A, "Wire Transfer Services Fact Sheet and Security Procedures", attached hereto. Customer and Financial Institution agree that the Security Procedures are commercially reasonable. Customer further acknowledges that the full scope of the Security Procedures, which Financial Institution offers and strongly recommends for wire transfers, is available only if Customer communicates directly with Financial Institution's Customer Care Representatives by telephone. If Customer attempts to communicate by any other method or otherwise not in accordance with the Security Procedures, Financial Institution shall not be required to execute such instructions, but if Financial Institution does so, Customer will be deemed to have refused the Security Procedures that Financial Institution offers and strongly recommends, and Customer will have agreed to be bound by any wire transfer, whether or not authorized, which is issued in Customer's name and accepted by Financial Institution in good faith. Financial Institution will modify the Security Procedures at such time or times and in such manner, as Financial Institution, in its absolute discretion, deems appropriate to meet prevailing standards of good banking practice. By continuing to use Financial Institution's wire transfer services after receipt of any modification of the Security Procedures, Customer agrees that the Security Procedures, as modified, are likewise commercially reasonable.
3. Processing Date. Financial Institution will act upon all transfer requests on the Business Day designated as the Value Date of the wire transfer, when received by Financial Institution's related cut-off time as set forth on Schedule A. Financial Institution will not guarantee that transfer requests received after the cut-off deadline will be processed on a same-day basis, but, in any event, such transfer requests will be processed no later than the following Business Day on which wire transfers are processed. For purposes of this Agreement, "Business Day" shall mean any day other than a Saturday, Sunday, federal holiday, or any other day on which banking institutions in the city in which Financial Institution has its principal place of business are generally closed and do not conduct general bank business. Financial Institution reserves the right to refuse a Wire Transfer request sent to a Wire Beneficiary currently or previously listed as a Specially Designated National by the Office of Foreign Assets Control, or known to be committing or previously have committed fraud.
4. Amendment or Cancellation of Transfers. Customer shall have no right to amend or cancel a transfer request after its receipt by Financial Institution. However, Financial Institution shall make a reasonable effort to act on Customer's request for amendment or cancellation of a transfer request prior to the time that Financial Institution executes such transfer request, but shall have no liability if such amendment or cancellation is not

5. Beneficiary Information. If a transfer request describes the intended beneficiary inconsistently by name and account number, then payment by the beneficiary's Financial Institution might be made on the basis of the account number even if it identifies a person different from the named beneficiary. If Customer is the originator of a transfer request containing an inconsistent name and account number, and the beneficiary's bank, including Financial Institution, without knowledge of the inconsistency, makes payment on the basis of the account number, then Customer is obligated to pay the amount which is directed to the account number given.

6. Addresses. Customer shall make every effort to provide a physical address for both the Beneficiary and the Beneficiary Bank. Transfer requests received without such information may be rejected. Financial Institution will make a reasonable effort to notify Customer of such rejection; provided, however, that Financial Institution shall not be liable for any failure to provide such notice.

7. Collected Funds. Financial Institution shall not be obligated to, but may act upon a transfer request that exceeds the amount of collected funds in Customer's account. If Financial Institution elects to make any transfer that exceeds the amount of collected funds, Customer shall be liable for any amount transferred in excess thereof, including a Collected Funds Waiver Fee and other fees where applicable.

8. Distribution. Customer shall be solely responsible for controlling the distribution and safekeeping of, and access to, the Security Procedures, personal identification numbers ("PINs"), online banking passwords, telephone numbers, or any other confidential code Financial Institution may assign. Pursuant to the Security Procedures, any transfer request accompanied by an appropriate PIN or password will be deemed to have been made by Customer's Authorized Representative.

9. Additional Information. Customer will supply any information Financial Institution may reasonably request evidencing any Customer Representative's authority to transfer funds or do any other act contemplated under this Agreement. Financial Institution shall be entitled to rely upon any written, oral or electronic notice or communication believed by it in good faith to be genuine and to have been signed or given by an authorized representative of Customer, and any such communication shall be deemed to have been signed or given by Customer. Customer agrees to notify Financial Institution immediately of any change to Authorized Representatives.

10. Good Faith. Customer assumes full responsibility for transfers initiated by an Authorized Representative and affected by Financial Institution in good faith and in accordance with this Agreement. Financial Institution shall be conclusively deemed to have discharged its duties to act in good faith and to exercise ordinary care in determining the authenticity of transfer request if it has followed the Security Procedures.

11. Notification. Transfer requests will be reflected on Customer's periodic statement issued by Financial Institution with respect to the Account pursuant to the agreement between Financial Institution and Customer. Customer agrees to notify Financial Institution promptly of any discrepancy between Customer's records and the information shown on any periodic statement. If Customer fails to notify Financial Institution of any discrepancy within sixty (60) days of receipt of a periodic statement containing such information, Customer agrees that Financial Institution shall not be liable for any other losses resulting from Customer's failure to give such notice or any loss of interest or any interest equivalent with respect to a transfer shown on such periodic statement. If Customer fails to notify Financial Institution of any such discrepancy within sixty (60) days of receipt of such periodic statement, Customer shall be precluded from asserting such discrepancy against Financial Institution.

12. Account. Financial Institution may, without prior notice or demand, obtain payment of any amount due and payable to it under this Agreement by debiting any account owned by Customer. Customer shall at all times maintain a balance of available funds in the Account sufficient to cover its payment obligations under this Agreement. In the event there are not sufficient available funds in the Account to cover Customer's obligations under this Agreement, Customer agrees that Financial Institution may debit any account maintained by Customer with Financial Institution or any affiliate of Financial Institution or that Financial Institution may set off against any amount it owes to Customer, in order to obtain payment of Customer's obligations under this Agreement. Upon request of Financial Institution, Customer agrees to promptly provide to Financial Institution such information pertaining to Customer's financial condition as Financial Institution may reasonably request.

13. Electronic Recording. Customer consents to the electronic recording of any communications between Customer and Financial Institution, including but not limited to telephone communications. If a dispute arises between Customer and Financial Institution with respect to one or more terms of any transfer request initiated, amended, or confirmed by telephonic communication, then any electronic recording of the telephonic

communication maintained by Financial Institution in the ordinary course of business shall be conclusive as to the terms of the transfer request in dispute.

14. Liabilities; Indemnification. Financial Institution shall be required to perform only the services expressly provided for in this Agreement and shall be liable only for losses or damages caused by its failure to exercise ordinary care in the performance of said services. Customer and Financial Institution agree that Financial Institution's liability, if any, for loss of interest on any funds transaction shall be determined in accordance with the Rules of the National Council for Uniform Interest Compensation. In any event, Financial Institution shall not be liable for any special, consequential, incidental, or punitive losses, damages, or expenses (including attorneys' fees) in connection with this Agreement or the services performed hereunder, including, without limitation, losses, damages, or expenses from subsequent dishonors resulting from Financial Institution's acts or omissions, even if Financial Institution has knowledge of the possibility thereof. Customer shall indemnify, defend and hold Financial Institution harmless from and against any and all claims, actions, losses, damages, suits, expenses (including attorneys' fees), fines and penalties arising from Financial Institution's performance of the services as authorized in this Agreement or from any breach of this Agreement or any other act or omission of Customer.

15. Force Majeure. Financial Institution shall not be liable for loss or damage resulting from any cause beyond its reasonable control, including, but not limited to, (a) Internet network failures or interruption of transmission or communications facilities, (b) compliance with regulations, orders or instructions of any federal, state or municipal government or any department or agent thereof that delay or restrict performance hereunder, or (c) acts of God, acts of third parties including terrorist acts, unauthorized System access or intrusions, acts of civil or military authority, labor disputes, fires, embargoes, war or riot.

16. Notices, Instructions, Etc.

a. Except as otherwise expressly provided herein, Financial Institution shall not be required to act upon any notice or instruction received from Customer or any other person, or to provide any notice or advice to Customer or any other person with respect to any matter.

b. Financial Institution shall be entitled to rely on any written notice, including communications submitted through online banking, or other written communication believed by it in good faith to be genuine and to have been signed by an Authorized Representative, and any such communication shall be deemed to have been signed by such person.

c. Unless otherwise designated by like notice in writing by either party to the other, notices required herein shall be sent by US Mail, if to Company, at the address on file with the Financial Institution.

17. Payment for Services. Customer shall pay Financial Institution the charges for the services provided in connection with this Agreement, as set forth in Financial Institution's fee schedule. All fees and services are subject to change at any time upon notice to the Customer. Such charges do not include, and Customer shall be responsible for payment of, any sales, use, excise, value added, utility or other similar taxes relating to such services, and any fees or charges provided for in the agreement between Financial Institution and Customer with respect to the Account ("Account Disclosure").

19. Independent Contractor. Financial Institution shall be an independent contractor with respect to its performance under this Agreement. This Agreement shall not constitute either party as an employee, agent, partner or joint venture of the other.

21. Termination. Customer may terminate this Agreement at any time. Such termination shall be effective on the second business day following the day of Financial Institution's receipt of written notice of such termination or such later date as is specified in that notice. Financial Institution reserves the right to terminate this Agreement immediately, followed by written notice of such termination to Customer within a reasonable time. Any termination of this Agreement shall not affect any of Financial Institution's rights and Customer's obligations with respect to transfers initiated by Customer prior to such termination, or the payment obligations of Customer with respect to services performed by Financial Institution prior to termination, or any other obligations that survive termination of this Agreement.

22. Amendments. From time to time Financial Institution may amend any of the terms and conditions contained in this Agreement, including, without limitation, any cut-off time, any business day, and any attached Schedules. Such amendments shall become effective thirty (30) days after receipt of notice by Customer or such later date as may be stated in Financial Institution's notice to Customer.

23. Entire Agreement. This Agreement (including the Schedules attached hereto) together with the Account Disclosure, is the complete and exclusive statement of the agreement between Financial Institution and Customer with respect to the subject matter hereof and supersedes any prior agreement(s) between Financial Institution and Customer with respect to such subject matter. In the event of any inconsistency between the terms of this Agreement and the Account Disclosure, the terms of this Agreement shall govern. In the event performance of the services provided herein in accordance with the terms of this Agreement would result in a violation of any present or future statute, regulation or government policy to which Financial Institution is subject, and which governs or affects the transactions contemplated by this Agreement, then this Agreement shall be deemed amended to the extent necessary to comply with such statute, regulation or policy, and Financial Institution shall incur no liability to Customer as a result of such violation or amendment. No course of dealing between Financial Institution and Customer will constitute a modification of this Agreement or the security procedures or constitute an agreement between the Financial Institution and Customer, regardless of whatever practices and procedures Financial Institution and Customer may use.

24. Customer Representations and Agreements; Indemnity. Customer shall perform its obligations under this Agreement in accordance with all applicable laws, regulations, and orders, including but not limited to the sanctions laws, regulations, and orders administered by OFAC.
